

"Education is the most powerful weapon which you can use to change the world" Nelson Mandela

Dear parents

One of our roles as NEWKIDSCARE is to continuously work towards the provision of a world class education

Winter has certainly made its mark. Winter is a bad time for our little ones because no matter how hard we try to keep them warm they are so vulnerable to winter diseases like colds and flu. Let's continue to dress our little ones with warm clothes as we are still having cold mornings around us.

Uniforms

Thank you to our parents who ordered uniforms and waited patiently for their arrival. We have our orders in stock.

Worn out shoes

When children ride the scooters they tend to drag their feet along the pavement thus damaging the front and the side of their shoes. We can't stop the children from dragging their feet but we suggest that each child bring water boots or old pair of shoes to wear during playing time.
