

Dear parents

A happy New Year and a very warm welcome to our long term parents and our new parents. We trust that you had a special time with friends and families over the festive holidays. Thank you for your support in 2018 and your commitment to the Early Childhood Development of your little ones. We are looking forward to wonderful 2019 with all of you. We take this opportunity to welcome and receive a variety of children in all ages from baby class up to grade R class. We wish you the very best of everything in 2019. We also welcome back NKC staff members and we hope to continue working hard and produce excellent results through our little ones. Our mandate is to provide a safe environment and a quality foundation for our little geniuses. We have so many fun filled learning activities and educational events lined up for the whole year and NKC team promises to keep you updated as the year unfolds. We will also let you know our Themes and lesson plan for each and every week of the year. We encourage all parents to actively support our little ones' learning experience by practising and reviewing concepts at home. By doing so, you will be supporting our children's growth in all of their development skills e.g. social, emotional, physical, cognitive skills and e.t.c. We are thrilled to announce that this year we are having 2 grade R classes making Dolphin and Sharks.
