

October 2019 Newsletter

Dear Parents

Welcome to the 4th and last term of the year 2019. The year is coming to an end for real but with NKC's fully packed exciting and educational activities it's hard to believe we have come this far already.

September to Remember

Heritage month was an extra-ordinary one as we started it off with our Arbor day. Learners were taught the importance of plants to people and animals. They had an opportunity to put theory into practice by planting vegetables and flowers. Now they have a better understanding that for plants to live and grow they need rich soil, water, sunlight and air. We are proud to announce that NKC now has a vegetable garden filled with carrots, beetroot and spinach. Many thanks to NKC parents for their R10 per child contributions which made it possible for us to buy the seeds, seedlings and also an ice-cream treat for all our learners. Many thanks to Cheetah class Mosetsana Boo's grandmother for the fertilizer she donated for our new garden and flowers. We are proud to announce that our flowers are blooming.

Highlight of the Month

On 20 September we had our first ever helicopter Show and it was such a spectacular event. Our little explorers were super-excited to watch a helicopter landing, taking off and to ride in it. We are very grateful to parents for believing that we could do it and for their financial support. Photos were taken during this awesome event and they are being printed per request and a payment of R55 per child.

NKC Heritage Day

Due to the schools' 3rd term short break we had to postpone our heritage day celebrations since only a few learners were coming to school. However, we are glad to announce that on Thursday 3 October NKC will be commemorating our African Heritage and we are kindly asking you to dress our little ones in their traditional attires on that day.

Educational Tours

Our 2 remaining school trips of this year were moved to 29 October and 31 October. Giraffe, Whale and Penguin classes will be going to Lavender Moon on 29 October while Dragonfly, Cheetah, Dolphin and Sharks classes will be going to Harties Zoo on 31 October. We urge all parents to pay for these trips on time so that they will happen as planned.

NKC Family Sports Day

NKC Family Sports Day is designed to be fun, exciting, challenging and rewarding. Spending time together and engaging in games or sports activities is the best way to give our little learners the tools they will need when they grow up and start their own families. We are therefore inviting NKC parents to come and engage in sport and active lifestyle at NKC on the 9th day of November 2019. Kindly bring siblings and family members at a small fee of R50 per person and please note that our learners come for free. The dress-code for this event is Sportswear.

2019 Graduation & Concert

NKC Grade R Graduation and concert is around the corner and it will be held at Prestige College on the 30th day of November. Our learners have started preparing for this big day already and it's promising to be an amazing event.

Christmas Vibes

We plan to end 2019 with a bang so on 5 December we are going to have a special visit from Santa Claus at our premises. We are kindly asking all parents to buy small gifts for our little ones, wrap, label and bring them to school from 1 December. These presents will be kept here until 5 December then Santa will give out the Christmas presents on behalf of the parents. Kindly dress our learners in red and white. NKC learners will be doing Christmas activities like drama about the birth of Jesus and also Christmas carols.

School Fees

We have come to the last few months of the year and we are begging all those who are owing school fees to pay up as soon as possible. Kindly bear in mind that December school fees must be paid in full and grade R learners will not graduate if their fees are not up to date.

End of Year Closing

On the 6th day December NKC Nursery will be closing at 13:00pm. Arrangements for holiday care and holiday swimming lessons will be announced during the coming weeks together with their prices.

We wish you a happy month ahead and we encourage everyone to reduce the stigma and discrimination of people with mental illness as October 2019 was declared the month of Mental Health Awareness.

Kind Regards

Nthabi & NKC Team
