

Dear Parents

“Play is the only way the highest intelligence of humankind can unfold” Joseph Chilton Pearce

August proved to be an exciting month at New Kidscare. It was an amazing experience for Zebra class and Giraffe class as it was their first trip at school to go at Bester Birds in Pretoria East. It was not only Zebra class and Giraffe class at Bester birds class, Whale and Penguin classes also joined them. Our little ones had an opportunity to feed animals like goat's sheep with carrots and peas. Some even touched some tortoises and shirt they were moving slowly around the place. Dragonfly, Cheetah class and Dolphin class went to Hartebeest Zoos. Did you know that the poison of a snake comes from behind its eyes? The children saw animals like lions, gorilla's, bears and above all we watched a seal show. Who could have thought of watching seals diving, driving a scooter and playing soccer. Thanks to our parents who paid for us for these trips.

Piano lessons

We are having a new teacher Thapelo for our Piano lessons. He is a qualified and experienced Piano teacher. He will be teaching our little ones piano with one of our assistant teachers. We are starting Piano lessons on the 5th of September. Piano lessons start from three years and piano fees is hundred rand per month per child for two lessons per week. Parents who want to enrol their children enquire at the reception. Children from 3-6 years had a Piano trial with the teacher from the first and second of September. They were so excited; they didn't want to go back to their classes. We are looking forward to learn how to play the piano.
