

September 2019 Newsletter

Dear Parents

Welcome to the warm and bright new Season of the Year. Winter Season ended with a bang as we held NKC's Grandparents day on the 30th day of August 2019. It was such a successful and lovely event. Our little performers entertained grandparents with their well-prepared unique activities from baby class to the grade R classes and even the staff members were on fire. Our guest Artist Mr Tebogo Motaung blessed the event with his wonderful gospel music and we appreciate him greatly. Our grandparents were dressed according to our Vintage theme and we are grateful for their amazing co-operation, massive turn-out and for being time-conscious. We hope that the spirit of that day will continue to motivate our learners and inspire parents to bring more kids to our Nursery.

On 24 August 2019 we had a beautiful experience during grade R and family photo-shoot. We thank you parents for dressing up your photogenic little ones and for being fully available for this event. The photos will be available in school soon and you will be notified to come and collect them.

Drop off and Pick up Time

It is very important that our little ones arrive to school on time and also to be picked up on time. It is very disruptive to the class and daily program when children arrive or are picked up late. They become very upset when everyone else is gone and their pick-up person hasn't come for them. We encourage parents and transporters to be more time-conscious as late fees will be charged for late pick-ups.

School Fees

We are coming to the end of the year but we are still experiencing no fees-payment from some parents and this has a negative impact on the running of the school as we depend on school fees for everything. We sincerely apologize to those who received wrong fees statements from our accountant and we are doing our best to correct the mistakes.

PLEASE NOTE; New Kids care Nursery is a private school and does not obtain any subsidiary from Government.

Communication

NKC Team still wants to urge parents to read the school's monthly newsletter

We have also increased our communications to include the D6 APP. It allows us to update and give alert on any new /important information that we may need to convey to you at the shortest possible time.

Think about what there is to learn from your Heritage, good and bad, and about what you want to cultivate and not to cultivate.

Wishing you a happy "Heritage Month".
